Rewards and Recognition July'23

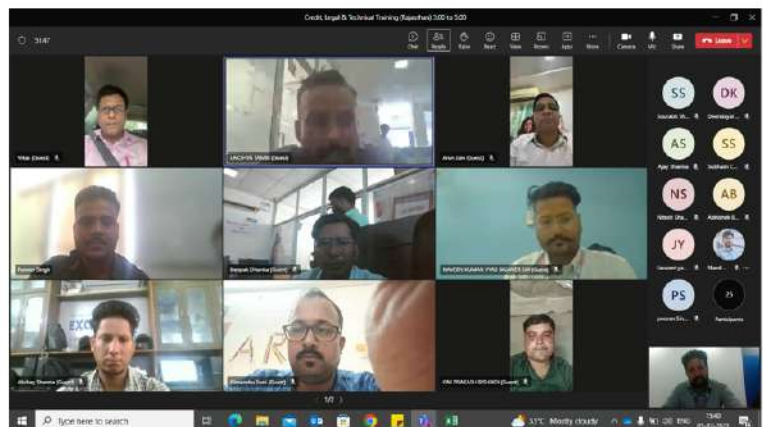

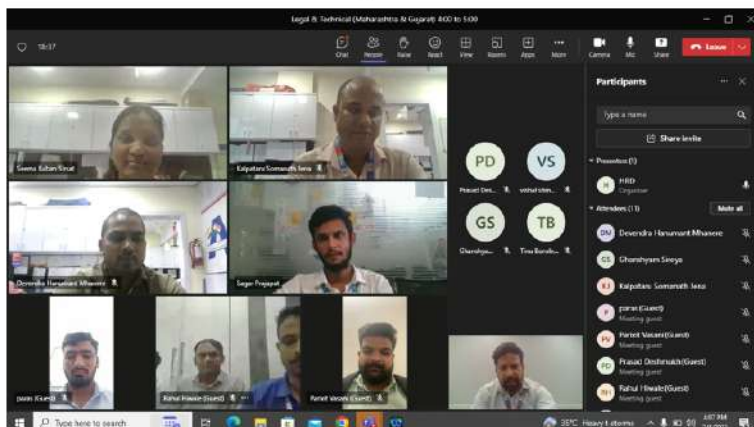

During this quarter, we witnessed remarkable accomplishments and exceptional teamwork. Your enthusiasm and willingness to go the extra mile have not gone unnoticed, and it is our privilege to recognize and appreciate each one of you for your invaluable contributions.

As a token of our appreciation, we have carefully curated the rewards and recognition for each deserving team member. These rewards are a testament to our gratitude for your exemplary efforts and relentless pursuit of excellence.

Functional Trainings Conducted

Engagement Activities

-  Independence Day
-  Birthday Celebration

Session conducted for – Credit , Legal and Technical policies for all locations

Your commitment to enhancing knowledge and skills is commendable, and we are grateful for your presence. We sincerely hope that you found the session informative, valuable, and relevant to your role within the organization.

Team Get together

We wanted to create an environment where everyone could relax and connect outside of the usual work setting, fostering a sense of friendship and motivation. Throughout the party, we emphasized the importance of each team member's contribution and acknowledged the collective efforts that drive our success as a company. Let's continue to carry this positive energy forward and build on the motivation and teamwork that were showcased during the party.

Wishing you all continued success and motivation!

Corporate Social Responsibility

The way we contributed to society

We are thrilled to share the impact of our recent Corporate Social Responsibility (CSR) initiative focused on providing artificial limbs to those in need. Through this endeavor, we have been able to make a profound difference in the lives of individuals facing physical challenges, empowering them to lead more fulfilling and independent lives.

We collaborated with reputable organizations specializing in prosthetics and orthotics, ensuring that our beneficiaries receive high-quality and customized artificial limbs tailored to their specific requirements.

10 years of success celebration

ART Annual Day

This annual day celebration was more than just an event, we cherished our accomplishment, acknowledged the hard work and dedication of each team member and strengthen the bond that unites us as a family.

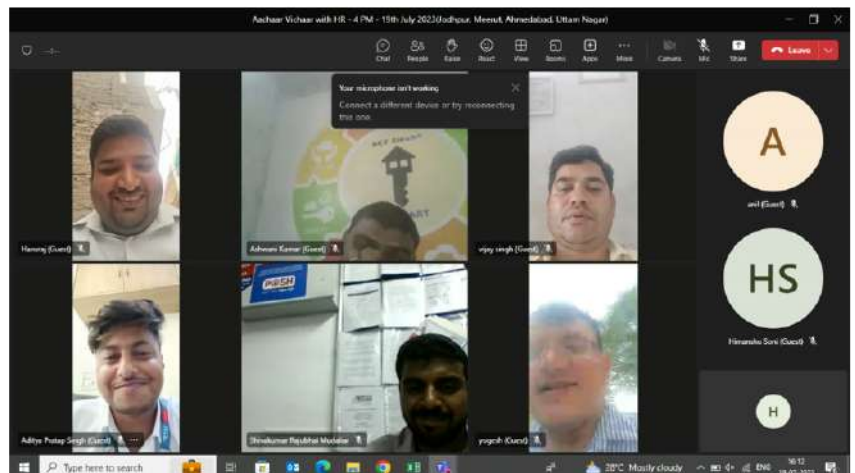

The energy was appreciable from the movement the event began, and we couldn't have asked for a more vibrant and engaged audience. Your participation, eagerness to learn and unwavering support truly made this event a memorable experience for everyone involved.

"Cup Triangle Building Activity" is an engaging and creative challenge where participants used cups to create structures resembling triangles.. It's a great team-building exercise that encourages problem-solving, collaboration, and spatial awareness. Participants can experiment with different cup arrangements to construct various sizes and types of triangles.

Another satisfied customer shared his amazing experience with ART –

Incredible experience with the ART Housing Finance. Dedication to customer satisfaction is truly impressive. From their prompt responses to their well-organized processes, I am very happy with the service I received."

Message from HR Head

"Believe you can and you're halfway there."
We have an aspiration to achieve a goal of doing 500 crores of disbursement this year. We believe we can, we believe in you and I'm sure you too believe you can. Let's put our best and make this dream come true!
